

IN THE CLAIMS

51 54. (Amended) [A] The composition of claim 43 further comprising a carrier.

55. (Amended) [A] The composition of claim 54 wherein said carrier is selected from the group consisting of saline solution and culture medium.

52 57. (Amended) The method of claim 44 [useful for the treatment of cancer], wherein said malignant tumor is from a cancer selected from the group consisting of lung cancer, colon cancer, breast cancer, kidney cancer, and prostate cancer.

53 66. (Amended) The method of claim 47 [useful for the treatment of cancer], wherein said malignant tumor is from a cancer selected from the group consisting of lung cancer, colon cancer, breast cancer, kidney cancer, and prostate cancer.

54 70. (Amended) The method of claim 47, further comprising administering a [wherein said] therapeutically effective amount of [cyclophosphamide] cyclophosphamide [is administered only] prior to the first administration of said composition.

REMARKS

Claims 43, 44, 47, 49-72 and 74-77 are now pending in the application. Claims 54, 55, 57, 66, and 70 have been amended in order to more particularly point out and distinctly claim that which the Applicant regards as the invention. Support for the amendment of claims 57 and 60
